Notice of Annual General Meeting

(cont'd)

The proposed Ordinary Resolution 10, if passed, will renew the general mandate given to the Directors of the Company to allot ordinary shares of the Company from time to time and expand the mandate to grant rights to subscribe for shares in the Company, convert any security into shares in the Company, or allot shares under an agreement or option or offer, provided that the aggregate number of shares issued and allotted, to be subscribed under any rights granted, to be issued from the conversion of any security, or to be issued and allotted under an agreement or option or offer, pursuant to this resolution does not exceed 10% of the total number of issued shares of the Company for the time being ("**Renewed General Mandate**"). In computing the aforesaid 10% limit, shares issued or agreed to be issued or subscribed pursuant to the approval of shareholders in a general meeting where precise terms and conditions are approved shall not be counted. The Renewed General Mandate, unless revoked or varied at a general meeting, will expire at the conclusion of the next AGM of the Company.

The Renewed General Mandate will enable the Directors to allot and issue ordinary shares at any time up to an amount not exceeding 10% of the total number of issued shares of the Company for the time being without convening a general meeting which will be both time and cost consuming. The mandate will provide flexibility to the Company for any possible fund raising activities, including but not limited to the placement of shares for the purpose of funding future investment project(s), working capital and/or acquisitions.

Please refer to Section 85(1) of the Companies Act 2016 and Paragraph 7(3)(a) of the Company's Constitution as detailed below. Section 85(1) of the Companies Act 2016 provides as follows:

"85. Pre-emptive rights to new shares

(1) Subject to the constitution, where a company issues shares which rank equally to existing shares as to voting or distribution rights, those shares shall first be offered to the holders of existing shares in a manner which would, if the offer were accepted, maintain the relative voting and distribution rights of those shareholders."

Paragraph 7(3)(a) of the Company's Constitution provides as follows:

"(3)(a). Subject to any direction to the contrary that may be given by the Company in general meeting, all new shares or other convertible securities shall, before issue, be offered to such persons as at the date of the offer are entitled to receive notices from the Company of general meetings in proportion, as nearly as the circumstances admit, to the amount of the existing shares or securities to which they are entitled. The offer shall be made by the notice specifying the number of shares or securities offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and, after the expiration of that time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares or securities offered, the directors may dispose of those shares or securities in such manner as they think most beneficial to the Company. The Board may likewise also dispose of any new share or security which (by reason of the ratio which the new shares or securities bear to shares or securities held by persons entitled to an offer of new shares or securities) cannot, on the opinion of the directors, be conveniently offered under this Constitution."

In order for the Directors to issue any new Shares or other convertible securities free of pre-emptive rights, such pre-emptive rights must be waived. The proposed Ordinary Resolution 10, if passed, will exclude your pre-emptive rights over all new shares, options over or grant of new shares or any other convertible securities in the Company and/or any new shares to be issued pursuant to such options, grants or other convertible securities under the authority to Directors to allot shares.
